

## CENTRAL CLEARING HOUSE DEBIT AUTHORIZATION

The Central Payor and Transfer Agent (CPTA), as agent for the Issuer and CMHC, is hereby authorized to initiate Central Clearing House debits against the Issuer's central P & I account, at the institution named below, for the purpose of monthly P & I payments to Investors due in connection with all mortgage loan pools for which the Issuer is responsible.

The referenced central P & I account has been established using the standard Letter Agreement for Issuer's P & I Custodial/Trust Account, CMHC 2806, which is already on file with CMHC, or which accompanies this submission. The account number, shown below, is the same as the account number of the central P & I custodial/trust account established with CMHC 2806.

It is understood that only the exact amount for P & I payments due Investors, based on the data reported by the Issuer, shall be charged against this account. If there are any discrepancies in the amount debited from this account, they will be promptly reported to the CPTA. It is also understood that the CPTA will immediately credit, in favor of this account, any amount that was debited over the amount required by the properly reported data.

This authorization will remain in effect until such time as: (a) a change of account is approved by CMHC, or (b) all pools and MBS of the Issuer are terminated.
